WE, THE CLASS OF 1948, DEDICATE OUR ANNUAL TO THE FUTURE, THE STAGE UPON WHICH THE PERFORMANCE BASED UPON THE PRINCIPLES AND IDEALS ACQUIRED IN OUR EARNEST REHEARSALS AT THOMAS JEFFERSON WILL BE PRESENTED.

THE
THOMA
JEFFERSO
HIGH
SCHOO

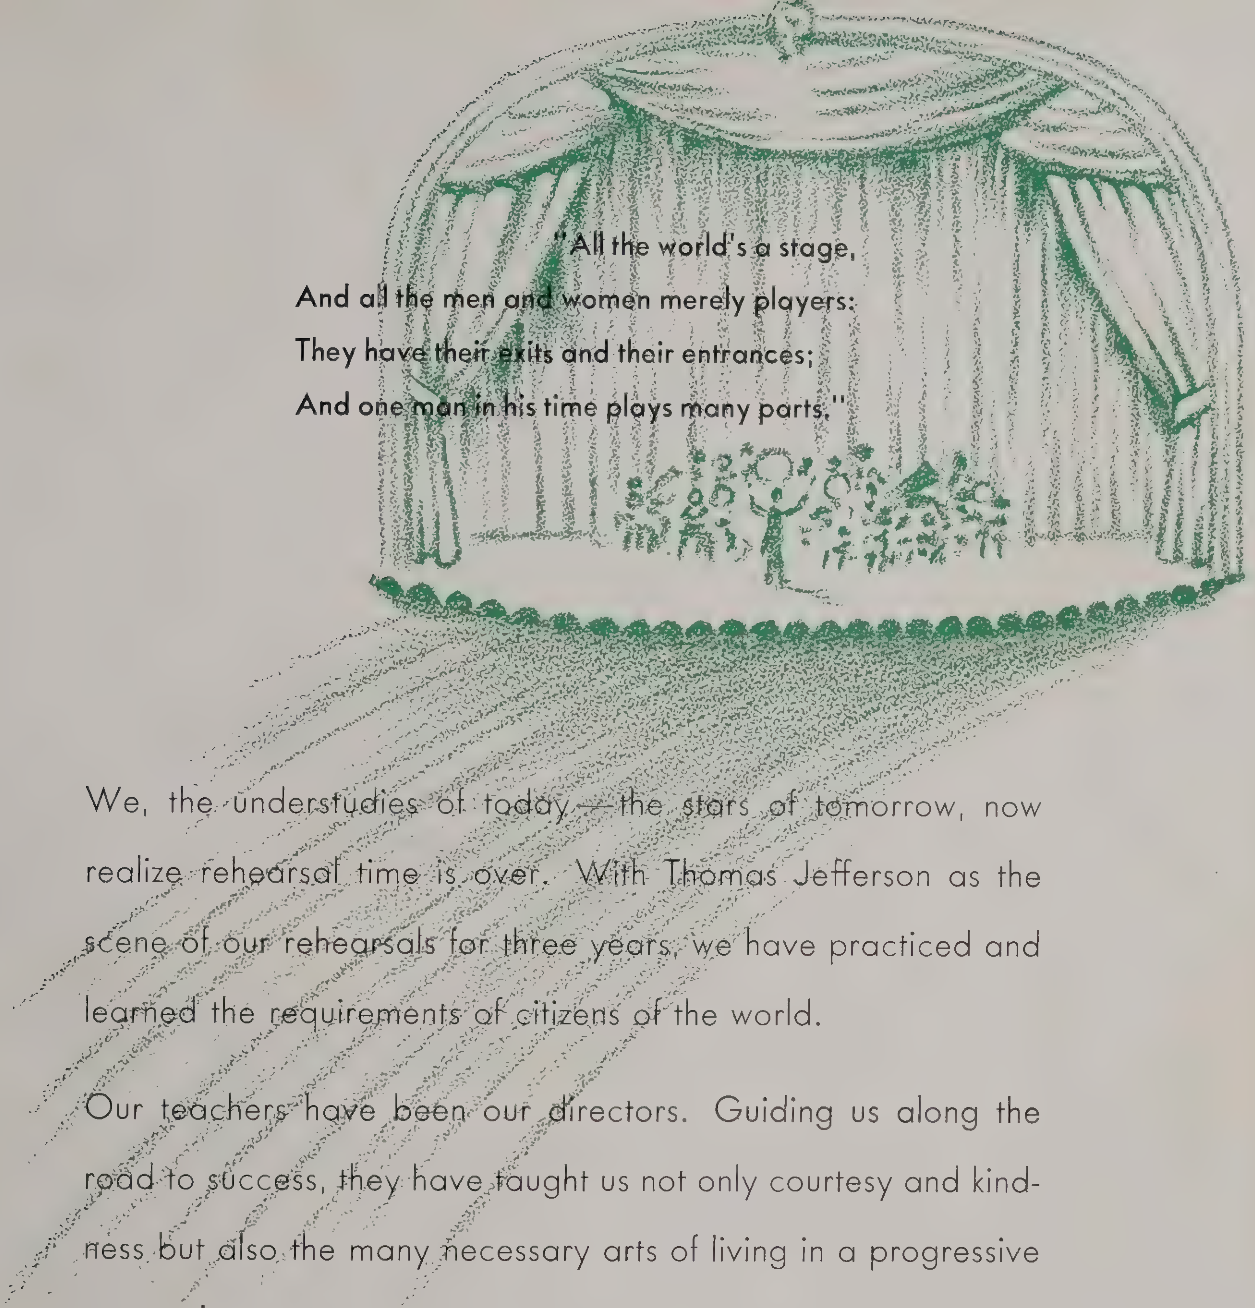
Entering Thomas Jefferson today
to learn to be citizens of tomorrow



"All the world's a stage,
And all the men and women merely players:
They have their exits and their entrances;
And one man in his time plays many parts."

We, the understudies of today—the stars of tomorrow, now realize rehearsal time is over. With Thomas Jefferson as the scene of our rehearsals for three years, we have practiced and learned the requirements of citizens of the world.

Our teachers have been our directors. Guiding us along the road to success, they have taught us not only courtesy and kindness but also the many necessary arts of living in a progressive generation.

The people of the world as our audience will be as ready to acclaim us a success as a failure. As citizens we shall reap the rewards of our years of training at Thomas Jefferson, for we shall never forget that "All the world's a stage" and the stage is all ours!

Practicing and learning respect and love for our country and our flag

Reading and studying to increase our knowledge

"The Best Years of Our Lives"

PROLOGUE

FEBRUARY 1945 . . .

On the morning of a memorable winter day
Our ambitious young class made entrance at T. J.
For our sponsor we chose Miss Elizabeth Beaman.
Jones, Hawkins, Thomas, and Bailey became our key men.

JUNE 1946 . . .

In September, happily entered the class of June.
As sponsor, Miss Pitt was chosen very soon.
Beattie, Boschen, Felvey, and Atkinson—elected.
All proved themselves leaders perfectly selected.

1946 . . .

Red and white teams in forty-six were glory-bound.
Basketball—state title; football—the city crown!
Tee-Jay played Jay-Em before a roaring crowd,
The score 46-0 was one of which to be proud!
The head of schools, Mr. Binford, retired;
Mr. Willett took the reins, and all were inspired.
To half-mast, Thomas Jefferson lowered her flag that year,

Our school mourned the death of the President dear.
The Sophs gave a tea dance and skating party too.
'46 seemed almost too good to be true!

1947 . . .

November brought the convention of the S.C.A.
Discussions were held in the halls of Tee-Jay.
As Juniors, Hazelwood and Tignor led the cheers,
The crowd roared the loudest it had in years.
The Senior-Junior dance came, "Christmasy" and gay.
All of us were there . . . to laugh, to dance, to play.
Junior Class Night, we enjoyed, "Who Knows What Goes,"
And deemed it the best of all previous shows.
The Junior-Senior was another "swell" affair,
For the music was sweet, and everyone was there.

1948 . . .

Cheering in the rain, we watched Jay-Em's squad
Beat us 6-0 . . . defeat hit us hard.
The Senior-Junior was a dancer's dream
With a brilliant and gay red and white scheme.
"A Date With Judy" drew a crowd.
A grand comedy, we laughed long and loud.
Our final dance, the Junior-Senior in spring,
Was unforgettable as our last school "fling."
Graduation day is upon us at last;
In sadness we realize high school is past.
'46, '47, '48—each a grand year—
"The Best Years of Our Lives" spent here!

Junior Memories

Our entrance into Thomas Jefferson was spotlighted by many outstanding performances. First was the election of class officers, then our respective outings, a skating party and an informal dance. • Our second year brought no less an ovation from the audience when junior class officers and senators were chosen. Soon plans were underway for our individual stunt nights, "Who Knows What Goes" and "Tickets Please." The curtain fell on the climax of our Junior year, the Junior-Senior Prom. • Now, with great supporting actors in our midst, we plan to begin rehearsals for our future role as stars of tomorrow.

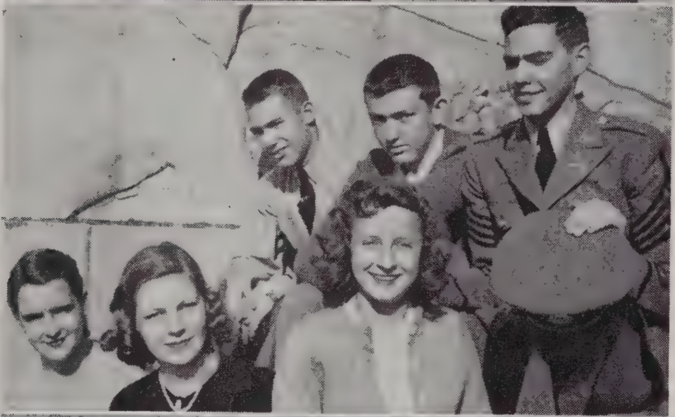
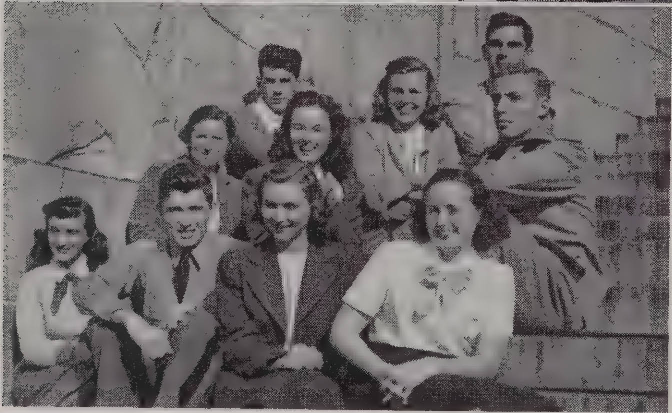
Clubs and Societies

ACTIVITIES

The Point System Award is given to those students who are outstanding and faithful in their service to our school. By participating in our various organizations, we not only gain this honor but also obtain the backstage preparation for our final performance. We practice leadership and cooperation, and learn to assume responsibility and render service. ✶ The Student Participation Association, composed of the Senate, House of Representatives and various committees, acquaints us with the organization and the functions of the various branches of our national and state governments. Through the music groups we become more interested in the history and interpretation of classical music, which will aid us in the future in our enjoyment of operas, symphonies, and local music organizations. The Science Club makes us ever conscious of the rapid developments in modern science and the part we will play in this movement. The publications provide an opportunity for students to exercise their originality and writing ability, while the athletic department gives us a chance to develop our physical abilities. We receive instruction in teamwork and good sportsmanship, which will be valuable to us as we go out on the playgrounds of the future. ✶ As we step on to the stage of the world, we are truly thankful for the excellent training and experience given us in these organizations at Thomas Jefferson.





Board of Coordination

Behind the scenes at Thomas Jefferson, on the first Tuesday of each month, the Board of Coordination meets. This organization consists of faculty sponsors, class presidents, representatives from the military and athletic associations, and other members of the various groups of the school. • These directors of the extra-curricular schedule at Tee Jay meet to discuss and vote on the school calendar. Other outstanding questions are settled, and the life of the school is efficiently regulated. • The Board of Coordination is the binding tie in the chain of school committees, and by democratically settling conflicts and disagreements having to do with the school, it promotes a well-run and congenial Alma Mater.

The Senate

Long before school starts each September, the Senators are busy making preparations for student activities. The Senate is composed of nineteen members: the four Student Participation officers, the five class presidents, and ten other senators elected by the student body for their ability as leaders. This group meets in the Tower room during the third period every day for business meetings, discussions, and conferences. With Miss Marion Smethie as sponsor, this year's Senate has engaged in many activities, such as assisting with re-organization at the beginning of each term and organizing and directing the numerous student committees. Several of the senators attended the State S.C.A. convention at Fredericksburg in October, and profited greatly by the speeches and panel discussions. • In accordance with a bulletin sent out by the State Board of Education, the Senate is stressing, more strongly than ever before, personal honor and integrity. The Character Committee is assuming the responsibility for promoting this project.

"The meeting will please come to order." • With these words the president of the House of Representatives, who is the vice-president of the Student Participation Association, begins another meeting in Room 218. The members, who are elected from each homeroom in the school, take out their notebooks and prepare to write down items which they will report to their homerooms. Any student may submit his suggestions or criticisms to his representative and feel confident that they will be given full consideration. Such improvements as milkbars for those students who

The selling of tickets for dramatic productions is another one of the activities of the House. From the profits of these plays the House has been able to make the above improvements and also to purchase a record player for the recreation hall. Thus the interests of all students are considered in a democratic way.

The Character Committee

With the future of civilization as uncertain as it is, the need for a new spirit is apparent. Several years ago, two students realized that the only way to start a new spirit in the world is to start with yourself, your home, and your school. They organized the **Character Building Committee** • Each homeroom sends a representative to the **Character Building** meetings to discuss problems and exchange ideas. These students take back to their homerooms interesting programs and skits planned by the steering committee which works with the faculty sponsor and Senate chairman. Posters and publicity of all sorts are employed to make this committee more effective.

The Traffic Committee

The Traffic Committee strives, with the help of its forty-four members, to keep order in the halls and to keep the students moving at a safe speed. The boys leave their classes three minutes early and station themselves at strategic positions in the halls and on the stairs. Two rovers on each floor check to see that everyone is on duty and fill in the posts which are empty. The committee has done very well this term because of the cooperation of the student body.

HONOR STUDY CHAIRMEN

Honor Study Chairmen

For fourteen years the Honor Studies, which are now held in eight rooms with twenty-four boys and girls as chairmen, have given students a chance to study in rooms under their own supervision. The student directors keep silence throughout the period, permit the students to go to the library, sign O.K.'s, and see that the members live up to the pledge of the honor study. When a student volunteers for an honor study, he must be approved by his homeroom teacher, a former study period teacher, and the librarian. Therefore the students at Thomas Jefferson feel it is an honor to be in an honor study. After a student has once been in an honor study, he usually requests one each term. Honor studies help greatly in relieving the crowded conditions in regular studies and in releasing teachers from study hall duties for other school activities.

CHEMISTRY LABORATORY ASSISTANTS

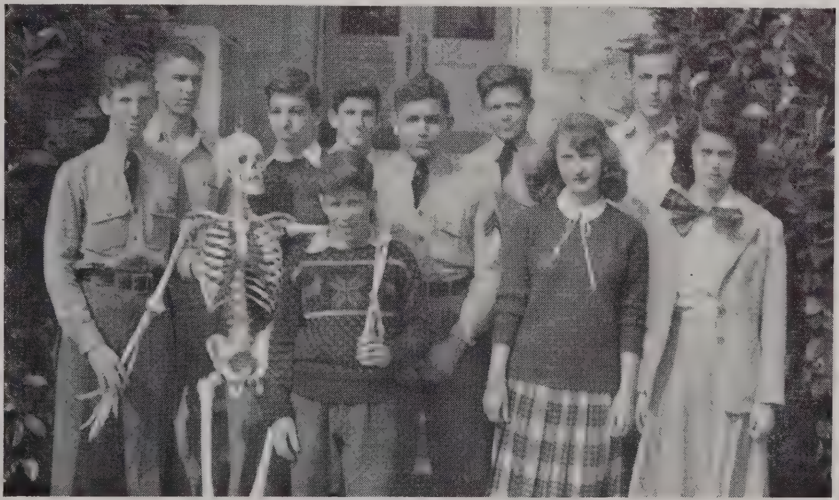
Laboratory Assistants

Among the test tubes, acids, snakes, skeletons, and pickled frogs in Tee Jay's science supply rooms, there are usually two or three boys and girls. These are the laboratory assistants, pupils important to the smooth operation of the science department. • These students are divided into two groups, the biology assistants and the chemistry assistants. They are recommended by a science teacher and usually show a great interest in or an adaptability for science. Their duties require them to spend one period each day in the supply room to assist the teachers. • The biology assistants keep the specimens, films, and various materials in order, and carry objects to and from the classroom. They are sometimes called upon to set up moving picture machines and even to give tests to classes. • The chemistry assistants make many of the preparations for experiments. They unlock the desks, see that all needed apparatus is available, and aid the teachers in many other ways. • Thus, students working with the science supplies help keep Tee Jay well-regulated and well-organized.



BIOLOGY LABORATORY ASSISTANTS

The Library Committee

The members of the Library Committee, which is composed of twenty-seven students, collect the library slips from the pupils at the beginning of the period, make sure that these slips are filled out properly, prevent pupils from leaving the library before the end of the period, and assist the librarians in keeping the library a quiet place for reference work and study. Two members are on duty each period and also during home room period. They are stationed at each door in order to carry out their duties more efficiently. Although they have little to do with the actual books, the members of this committee do much to help the library run smoothly.

The Library Staff

The Library Staff members work in the library every day as assistants to the librarians. Two students are usually working each period. One student is assigned to the desk to receive and slip books, sign out books, answer questions, and perform the routine duties of the desk. The other student shelves books, carries necessary messages, and assists the librarians in other duties. By alternating each week, the students become familiar with all phases of library work. • The members of the Library Staff meet every other Friday at home room period to discuss their work and to offer suggestions which might be beneficial to all. • To become a library assistant one must be a 3L or higher, must be passing on all subjects, and must be interested in library work.

The Office Aid Committee

The Office Aid Committee is composed of students who volunteer to assist in the main office. The chief duties of its members consist of running errands, looking up information concerning students, carrying messages, sorting mail, helping students who come in late, and doing other useful work. Each member must have a study period every day during which he is willing to work. Members are asked to work one out of every three weeks. This type of activity teaches students to carry out orders and to work with other people.

The Guidance Aid Committee

Every period each day, two students assist Mrs. Bennett, Miss Jordan, Miss Mottley, and Miss Norfleet in their daily work. Often a student who has had typing types for Miss Mottley; otherwise the members of this committee file records, see that the catalogues are in their proper places, run errands, answer the telephone, and do many other necessary and helpful tasks. These girls serve in three shifts and when they are not assisting they study as in a study period.

The Reception Desk Committee

Members of the Reception Desk Committee add a bit of color to life at Thomas Jefferson. These attractive students, who sit at the desk in the front hall, are called on duty every third week during their study period. Greeting visitors is not the only function of this committee. Receptionists direct or conduct people around the building to the cafeteria, auditorium, recreation hall, library, office, or any other specified place.

The Messenger Committee

The Messenger Committee, which consists of thirty members, is divided into three shifts. The members work a week at a time; but when there are many messages, all members help. It is their duty to get to school early each morning and come to the Tower room to get the notices from the various branches of the Student Participation Association. These notices are delivered to home rooms throughout the school before the first period begins.

The Bulletin Board Committee

The Bulletin Board Committee, organized to keep the bulletin boards neat and attractive, has developed a new group consisting of students with artistic ability. These members design posters for plays and other S.P. activities and present them to the other members to be posted. These two groups, working together, add their bit toward the beautification of Tee Jay and to the efficient functioning of the school activities.

The Daily Report and Absentee Committees

Contributing to the efficiency of Thomas Jefferson, the Daily Report Committee collects from each home room every morning a list of the students who are absent. Members of the committee must have a first period study; they go on duty every three weeks. The Absentee Sheet Committee is composed of students who have volunteered to help the school office. Every day at period three, members of the committee get the mimeographed lists and distribute them to all the rooms in the building.

The Nurse's Aid Committee

The Nurse's Aid Committee is headed by Miss Lamb, the school nurse. The committee members report to Room 2A one period each day every third week for duty. They run errands, file record cards, take charge of the infirmary when the nurse is out, and do many other odd jobs. The students who serve on this committee not only render an important service to the school, but receive valuable training as well.

The Usher Committee

The Usher Committee has twenty-one members of whom eighteen are regulars and three are substitutes. The committee is divided into two groups, one for the senior assembly on Wednesday and one for the junior assembly on Thursday. In addition to the regular assemblies, the ushers are called upon at various times to help distribute programs and keep order for called assemblies and special plays. The committee is under the sponsorship of Mr. Butler.

The Eraser Committee

The Eraser Committee is composed of six boys with Mrs. Womack as their sponsor. Two members are assigned to each of Thomas Jefferson's three floors. Once a week during the first period these boys collect the erasers from each classroom. These committee members are willing to spend part of their first period study in cleaning the erasers. This committee has played an important part in helping to keep our school neat and clean.

The Club Affiliations Committee

The Club Affiliations Committee, composed of representatives from all the clubs of Tee Jay, regulates the time and place of meetings, exchanges constructive ideas for programs, helps organize new clubs, and attempts to increase the membership in the smaller clubs. The committee meets on the third Tuesday of every month with its sponsor, Miss Marion Smethie. The Senate chairman represents this group in the B.O.C. and a member of the committee has a seat in the House of Representatives.

The National Honor Society

Leadership, character, service, and scholarship are the requisites for, and the motto of, the Thomas Jefferson Chapter of the National Honor Society under the sponsorship of Miss Henna. Its members, seniors only, strive to live up to the high standards of their pledge by participating in school activities, setting examples of good citizenship, and serving as coaches for their fellow students. For the monthly meetings of this school year students of Thomas Jefferson have been invited to speak on their travels abroad or on interesting topics of their own choice.

The Declaration

Striving to present more varied material to its readers, the staff of "The Declaration," Tee Jay's literary magazine, this year opened several new departments, including science, music, languages, and Quill and Scroll. About half of the articles were written by members of the 7x English class in creative writing taught by Miss Azile Berry. The others were written by representatives from the English classes or the different departments. The financial side of this semi-annual publication is under the direction of Miss Nancy Gary. "The Declaration" offers an opportunity for Thomas Jefferson students to gain experience in literary work and to express their creative talents in the form of stories, poems, essays, and illustrations. These combine to produce a magazine that continues to receive recognition from the scholastic press associations.

Jeffersonian Business Staff

The Business Staff of "The Jeffersonian" is composed of two groups, circulation and advertising. The Circulation Staff supervises the collections made in the home rooms by the lieutenants and captains, and, in addition, mails out about one hundred and sixty-five copies to school board members, alumni, advertisers, and schools on our exchange list. This year seventy-four per cent of the students bought term subscriptions, and many have purchased single copies. Cadet subscriptions were taken in the companies by the first lieutenants. As a result of this drive, Homeroom 324 and Cadet Company F were first to report one hundred per cent. • The Advertising Staff sells advertisements for the space allotted them, draws up the new copy, and lays out the dummy for each issue. A plaque, awarded by Vincent Edwards and Company, the world's largest advertising service organization, was received by "The Jeffersonian" Advertising Staff in the spring of 1947 and 1948 for having won the advertising contest sponsored by the Columbia Scholastic Press Association. The publications were judged on their originality in creating the type of advertisement which actually sells, the advertiser's story to the school buying public, the layout technique, position and effectiveness of the advertising section, and the way in which the Advertising Staff has "sold" the publication to advertisers as a worthwhile investment. The staff has devoted a great deal of time to the improvement of the publication and the layout of all advertisements in order to be able to keep the plaque. Because of the Retail Merchants' approval of "The Jeffersonian," the staff has been able to secure advertisements from Richmond's leading stores. • Another project undertaken by the Circulation Staff is the sale of "The National Echo," a school periodical review by and for the high school student. • During this term "The Jeffersonian" has secured a second-class mailing permit, which speeds up delivery considerably.

Jeffersonian Literary Staff

Journalists who publish "The Jeffersonian" attempt to fill its pages with material that will inform and entertain its readers and guide them into the paths of cooperation, sportsmanship, and leadership. • Under the direction of Miss Mayo Provence, adviser, members of the Literary Staff plan and produce the bi-weekly newspaper during fifth and sixth period studies. In order to become full-fledged staff members, students are required to complete the journalism course, which is offered to low juniors upon recommendation of their former English teachers. Since staff positions are open only to the qualified upperclassmen, sophomores may become acquainted with the work of "The Jeffersonian" by serving as cub reporters, thus preparing themselves for future advancement. The cub reporters do not actually write for the publication, but they sub-

mit material from their assigned beats to an editor who may find a place for it in the paper. Members of the journalism class often have a chance to see published an especially good article written as a class assignment.

Not to be excluded from the Literary Staff are its experienced typists, who play a major role in sending the news to press. Also worthy of recognition are the photographers, who take all the pictures for the paper with their own equipment. Very important, too, is the staff artist, who contributes most of the cartoons. • "The Jeffersonian" is a member of three press associations which render a great service to the newspaper in their yearly awards, criticisms, and suggestions for improvements. • To the subscriber who reads it, "The Jeffersonian" endeavors to present through its columns the knowledge of a rich heritage which belongs to high school students; to the young journalists who edit its pages, "The Jeffersonian" offers an adventure never to be forgotten.

Monticello Business Staff

Each Friday during the fourth period, "The Monticello" Business Staff meets in Room 107. One who has never worked on the "Staff" cannot realize the work involved or the pleasure derived from publishing an annual. Under the expert guidance of Miss Frances Gray, the staff, composed of representatives of the sophomore, junior, and senior classes, begins its work immediately after school starts. At this time ads are assigned and senior picture appointments made. The next step is arranging for junior class and club pictures to be taken. Then comes the task of obtaining annual subscriptions through the home rooms and making plans for the mailing of annuals to February graduates. Finally, after the advertising proof has been returned by the printer and checked, there is a short lull. At last the storm of distributing the annuals comes and goes, and another year of work is completed for the staff. At the end of the year a banquet is given for the combined staffs, at which time new members are welcomed.

Monticello Literary Staff

Members of "The Monticello" Literary Staff are representatives of Thomas Jefferson who are interested in working hard to produce a good yearbook. Theirs is the task of planning the annual, gathering all the pictures and the innumerable lists which must accompany them, and making it an interesting and attractive picture of the activities and outstanding events of the year 1948 at Thomas Jefferson. • All members of the staff take part in the selection of the theme and general arrangement of the yearbook. Then students are assigned to either the Classes, Military, Club, Athletics, or Feature section. These sections assume the responsibility of their designated work willingly, and the entire staff does its best to produce a "Monticello" that is better than any before it.

The Orchestra

The activities of the Orchestra, which has worked under the direction of Mr. Frank Wendt, have been varied and pleasant. Meeting daily during fourth period, the students obtain valuable experience in performing cultural music. This term's studies have included Beethoven's "First Symphony," "Egmont Overture" by the same composer, "Arioso" and "Chorale-Fugue" by Bach, "Finlandia" by Sibelius, and, on the lighter side, "Oklahoma," Grossman's "An American Fantasie," and "Cole Porter Favorites." As outside activities, the Orchestra performed for the Richmond Area Community Chest, gave several assembly programs, played at graduation exercises, and entered the Spring Music Festival of the Richmond Public Schools. The Orchestra participated in the presentation of the Annual Spring Concert which was given by the music department as a climax to the term's work. The State String Clinic also offered an inspiring opportunity to the more advanced members of the Orchestra's string sections.

The Mixed Glee Club

The Glee Club is composed of approximately fifty boys and girls who meet during the fourth period. Mr. Joseph H. Bair was director of the vocal department during the first term. In February Mr. Alton Howell came to take over as head of our vocal groups. The purpose of this organization is to give entertainment to others, and to prepare and train the students' voices for college glee clubs and other musical groups. Another purpose of this club is to help the members to appreciate musical artists. The Glee Club participates in the Christmas program and other assemblies and in a musicale; it also furnishes entertainment at the Veterans' Hospital.

Junior Red Cross

The Junior Red Cross, as in former times, has had a very busy year. Headed by its fourteen councilors and fifty-eight representatives, it has given aid to Europe by sending Christmas and educational boxes to children in war-torn countries, has prepared Christmas stockings for hospitalized veterans, and has collected clothing to send to mountain children. The annual membership drive was very successful this year. The Red Cross is helping to make the present post-war world a place worth the time and energy contributed by so many people. Volunteer groups have been organized from time to time to carry out its work.

Y-Teens - Triangle II

Triangle II of the Y-Teens, which meets every other Tuesday, is an organization of the Y.W.C.A. The membership is voluntary. The club, which is directed by Miss Elizabeth Conwell of the Y.W.C.A. and sponsored by Miss Susanna Farley, participates in World Fellowship by helping others. The activities include parties, picnics, movies, helping orphans, entertaining at old people's homes, and sending boxes to Europe. Members also serve on the Cafeteria and Recreation Hall Committees. The officers are Suzanne Branner, President; Kathleen Jones, Vice-President; Joan Helbig, Secretary; Jackie Harris, Treasurer, and Charlotte Korn, Program Chairman.

Hi-Y Chapter I

The Thomas Jefferson Hi-Y Chapter I is sponsored by the Y.M.C.A. and Mr. Joseph Uram. The weekly meetings are held at the "Y" on Monday night. Among the various activities, the Hi-Y boys contribute to the Red Cross, the Community Fund, and the Christmas Mother. Hi-Y Chapter I's first social event was the annual T.J.-J.M. Victory Dance. This was followed by several outings and parties. Chapter I was also represented in the Y.M.C.A. Basketball League. The Hi-Y is not only interested in training its members physically and socially, but it also endeavors to develop high ideals and standards of conduct. Chapter I feels it has had a highly successful season and has fulfilled its pledge, which is "to create, maintain, and extend throughout the school and community, high standards of Christian character."

Hi-Y Chapter II

Hi-Y Chapter II, a club for Tee Jay boys sponsored by the Central Y.M.C.A., meets every Thursday night at the Y.M.C.A. building. • The club contributes to various charitable organizations and renders assistance whenever called upon. • The club helps at school by giving programs to entertain and promote better ideals throughout the school, sponsoring the big Pep Rally for the T.J.-J.M. game, giving social functions for the school, and serving on various committees. The entire club serves on the Recreation Hall Committee. • For its members, it provides many social and athletic events, and sponsors a team in the Senior Boys' Basketball League at the "Y". •The boys feel that their aim and purpose, which is "to create, maintain and extend throughout the school and community high standards of Christian character," has been fulfilled in their activities this year.

The Latin Club

The Latin Club, which is composed of the Latin 5 and 6 classes, has very varied and interesting programs, such as debates, talks on famous Romans, and instructive games. The Latin 6 class, whose motto is "Ex nihilo nihil fit" and whose name is "Societas Romana," is the senate or "Romani Senatores." The Latin 5 class is called "Populi Romani" or the Roman people. Two members from the Latin 5 class act as tribunes or intercessors between the two groups, and attend the meetings of both classes. The Latin 6 class meets in the first period in 107, while the Latin 5 class meets in 107 during the fifth period. Both classes are under the direction of Miss Frances Gray.

The Junior Classical League

In the second year of the organization of the Junior Classical League the members have continued to carry through their purpose of enlightening and cultivating the minds of Latin students through the development of the ancient language. • To elaborate upon the more social side of the lives and activities of the ancient Romans, the club opened this year with a Latin treasure hunt to arouse interest. An inspiring initiation in Roman style was then given to the new members. A true Roman feast and many socials were also planned throughout the year. In order to have varied and good programs of lasting interest the members agreed to meet the second Tuesday of each month. • The officers are Consul, J. Vaughan Gary, Jr.; Pro-Consul, Glen Baker; Scriba, Barbara Dawson; Quaestor, Beverly Page French.

The Forum Club

The Forum, one of the most prominent clubs at Thomas Jefferson, was organized for those interested in historical events, as well as for those who desire to express their opinions freely concerning affairs which affect our city, state, and nation. • Club meetings are held in Room 319 on the first and third Wednesdays of each month after school. Membership is strictly voluntary. Being a very active organization, The Forum has interesting programs which include student debates, discussions, motion pictures, and tours of historical places of interest. Occasionally, a guest speaker is invited to talk to the students. Each term The Forum presents an assembly program for the entire school. This year's club introduced The Forum Pin, which is awarded to members who have met certain requirements of attendance, participation in club activities, program planning, and committee work. • The Forum helps students of today to prepare to be capable citizens of tomorrow.

The Science Club

The Science Club, under the sponsorship of Mr. L. W. Jarman, brings to its members a more thorough understanding of scientific principles through their application to every day living. Meetings are held on the first and third Tuesday of every month after school in Room 311. The attendance this year has averaged more than forty boys and girls who are interested in science. During November the Science Club sponsored an assembly program at which Dr. Livingston, a prominent chemist from Du Pont, gave an illustrated lecture on "Prevue of Progress." Over one thousand pupils interested in science attended this assembly as guests of the Science Club. Another project of the Science Club has been to interest boys and girls in the National Science Talent Search Contest.

Not Pictured: Greta Clark.

The Spanish Club

After school on the fourth Tuesday in each month, "Los Gringos," Thomas Jefferson pupils who are interested in knowing better our Spanish-speaking neighbors, hold varied meetings designed to improve their relationship with Latin America. One month offered an informal discussion of Spanish customs, and the next, a trek to the home of the faculty sponsor, Mrs. Dorothy Corprew, to cook Spanish dishes and taste the results. Each spring this club with the French and Spanish clubs of John Marshall sponsors a banquet to promote the feeling of understanding and friendship that is uniting our country with our Spanish cousins.

The Jeff Clef Club

The Jeff Clef Club, sponsored by Mr. Joseph H. Bair, meets in Room 218 on the second and the fourth Monday of every month. This club strives to promote appreciation of classical and popular music. Members have the privilege of hearing and discussing recordings, hearing guest artists, and having member participation.

The Commercial Club

To acquaint its members with the significance of the business world and to develop their interest in commercial work are the purposes of the Commercial Club. Each month business and social meetings are held on the second and fourth Fridays respectively. Included in the programs are speeches by prominent business leaders and field trips to industrial concerns. This club is sponsored by Miss Helen Botto.

The Tee Jay Distributor's Club

The Distributor's Club provides the club members with an opportunity to learn more about the field of distribution and the vocational opportunities in the field. People who hold prominent positions in the business of retailing are invited to speak before the club. Regular meetings are held twice each month and plans for future business and social functions are discussed. The club had two social functions this year and sent a delegate to the State Distributor's Club convention in March. • All members work in local retail stores and receive training at school along retailing lines. The officers of the club this year are the following: President, Nancy Moss; Vice-President, Susie Greer; Secretary and Treasurer, Ronald Spindler.

The Thomas Jefferson Book Club

"In the darkened hall Geraldine stood rigid, her pulses beating wildly, her brain numb with sheer, stark terror . . ."

Have we by any chance entered a dramatics class? No, this is only a scene from one of the unusual programs presented in the Thomas Jefferson Book Club, which meets every second and fourth Tuesday after school in Room 308. The club, which is sponsored by Miss Mary Ellen Stephenson, strives to interest its members in good books and gives them an opportunity to discuss their favorites. Those pupils who show an interest in literature and meet the approval of the members receive invitations to become members of this worthwhile and enjoyable club.

The Speech Club

The Speech Club of Thomas Jefferson High School, which is made up of pupils of Miss Mayo Provence's second period speech class, meets every Friday at second period in Room 328. The purpose of the club is to acquaint the members with parliamentary procedure and to give practice in speech. The officers, president, vice-president, secretary, and treasurer, are elected at every fourth meeting in order to enable each member to have the opportunity to hold one or more offices. The club gains a great deal of knowledge under Miss Provence's guidance. Also there are very interesting programs provided for each meeting by the vice-president and a special committee.

THE CADET CORPS

In September, 1947, we were honored to have Clinton E. Jones, a Captain in the United States Marine Corps Reserve, take over the new job of Assistant Commandant and Training Officer. Since that time, many improvements have been made. He has a likable personality; and having been a teacher of mechanical drawing here, Captain Jones was already in contact with many boys in the corps. He is a fine officer and a gentleman, and has the respect of all who serve under him.

A training class for the new officers was the first thing on Captain Jones's schedule. The 15-day course included lessons on organization, first aid, the principles of drilling, and advice on commanding their units. The sergeants attended the next school, which was held two days each week until the end of the term.

At the beginning of the spring semester the boys previously trained were the new officers, and it became their duty to help train those cadets under them. Classes in map-reading for the entire corps were started. All of these classes have proved to be a great success; and as time goes by and the corps becomes better trained, we will remember to thank Captain Jones.

The Semi-Annual Competitive Drill was held in the Grays' Armory on January 30, 1948, with Company A winning the Green and Koegel Trophy.

The rifle team, under the direction of Colonel Tyler and Captain Jones, has had at least two practices a week for the past term. They are now using John Marshall's range on Wednesday afternoons and Saturday mornings.

Sports always play an important part in the cadet's life. The intramural basketball league was continued with scheduled games every Wednesday night in the Hill School gymnasium. Company A won the trophy offered by the West Richmond Business Men's Association.

This group of men also presented a much needed State Flag to the Cadet Corps in the early part of March.

Among the social activities of the corps were the two Sponsor's days and two Cadet Hops, with figures directed with much accuracy by Mr. Harry A. Woody, corps counselor. On January 18th, in honor of those two great generals, Lee and Jackson, the corps again had the pleasure of attending First Baptist Church, where Dr. Theodore F. Adams, our Chaplain, presented the sermon.

JEFFERSON, JEFFERSON, YEA

This year a peppy bunch of cheerleaders led the student section in their support of the "Big Red Team." Not only could you see them at the home games, but you could always count on seeing them at the various out-of-town games rooting for the team. Win or lose, they upheld the morale with their enthusiastic cheering; not even the rainy days could dampen their spirits. ✶ Heading the vivacious group this year were Joyce Hazelwood and Forrest Tignor, who were assisted by Marion Wiggins, Dick Jones, Becky Rocke, Stuart Johnson; Beverley Randolph, Bill Fleming; Barbara Hawkins, and Bob Shelburne. These cheerleaders will always remember the trip to Roanoke, the luncheon at the Country Club, decorating the stadium for "the big day," the outing in the spring, and above all, their understanding sponsor, Miss Susanna Farley. ✶ Next year when the band once again plays "Jeffersonians" and the crowds cheer, you'll see a new group of cheerleaders who will be capably led by Betty Stephenson and Ronnie Blankenship.

ONE MAKES ALL-PREP FIRST TEAM; TWO, ALL-PREP SECOND TEAM

Field Hockey is increasing in popularity at Tee Jay as evidenced by the number of girls who enjoyed the game this past season. More than 30 girls reported three days a week for practice and games. A total of 12 games were played by the Varsity and Reserves. From a win and lose point of view the season was not strictly the most successful one; however, the Tee Jayettes exhibited a fine spirit whether they lost or won.

The Varsity lost to a hard playing Petersburg eleven by a score of 4-2, the game being played on the Petersburg field. At our next game, one with Collegiate, we broke into the win column to the tune of 3-1. St. Catherine's more experienced team proved too much for the Red and White, for we lost 9-2. The second half was played on even terms, and we were really proud of the way our girls worked together. The highlight for the season was our victory over John Marshall, the game being played on Hotchkiss field, or perhaps we should say Hotchkiss lake, as a good portion of the field was sev-

eral inches below water. The final score was 4-2. Our girls played host to a less experienced Manchester team and showed them how Hockey should be played. The Jeffsters came out on top with a score of 4-0. Our final game was played with St. Margaret's in Tappahannock. After keeping the score even until the half time, our team went down in defeat by a score of 4-2.

The All-Prep Hockey Tournament was held at St. Catherine's on November 15. The weather was more suitable for ducks, but, in spite of the cold and wet, Hockey was played. Betty Sherman was chosen for the all-prep first team and Barbara Ashby and Janet Johnston were given berths on the all-prep second team. These girls justly deserved their awards.

It is hard to pick out individual stars on the team; however, Faith Abbott, Barbara Ashby, Ethel Head, Alma and Helene Lake, Eloise Nolde, Jean Ridenour, and Betty Sherman will not be around next year to help the team.

The Reserve team was made up almost entirely of sophomores, several of the girls never having played Hockey before. They played six games, winning only one game against Jay Em, by a score of 2-1. The remaining five played were: Petersburg 3-1, Ashland 1-0, Collegiate 4-0, Westhampton 1-0, and St. Catherine's 3-0.

Much experience and practice were gained by these games and the Reserve players of this year will prove to be excellent Varsity team-mates in the 1948 season.

Our coach, Miss Edith Todd, who in every way led us through an eventful season, was responsible for the splendid sportsmanship and playing shown by all the girls.

TWO JEFFS CAPTURE ALL-CITY BERTHS; PRESIDENTS POST 1-5-4 RECORD

Butler Leads Scorers

The 1947 edition of Thomas Jefferson High School's football squad produced two All-City players in Co-Captain and Fullback Dave Rose and End Bill Burnette.

Rose, outstanding all-round player, led the team from his fullback post in high spirit as well as great running ability. Burnette also received honorable mention for All-State with his stellar end play, particularly on the raging defensive role.

The "tying jinx" plagued the Jeffs in the early season, as they knotted the count four times in posting the record of one win, five losses, and four ties as they were defeated for the first time in five years by John Marshall 6-0 in a stubborn defeat.

Belt Liners Open With Two Ties

Tee Jay's gridiron warriors got off to a tying start as they journeyed to Alexandria, tying George Washington 6-6, and then proceeded the next week to end deadlocked with Andrew Lewis of Salem on a 13-13 count.

With less than three minutes left in the game in the northern city, Wingback Bill Kohler gathered in a punt and promptly raced 40 yards to paydirt and save face for the Presidents. The Jeffs' line was invincible as led by Co-Captain "Meats" Martin and Leo Mesco as the boys in red out-classed G. W. in every department.

On Tee Jay's own Shawen Field the next week the Jeffs were outplayed by their smaller opponents from Salem, but managed to salvage a tie as Big Dave Rose broke through the middle of the visitors' line and raced 63 yards for the tying Jefferson tally.

Crimson Wave Edges Jeffs 7-6

The Jeffs traveled to the Cockade City for their third contest and became another victim of the "Pe-

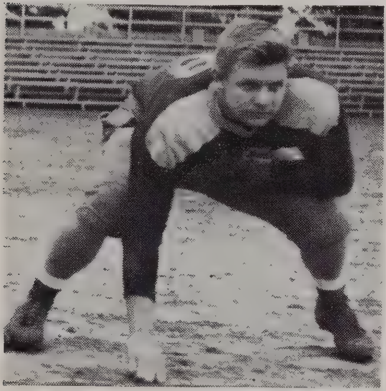
tersburg jinx," by losing a heartbreaker 7-6, before 6,000 fans.

A drive of 85 yards in the last five minutes, climaxed by a 16-yard cutback to paydirt by Tailback Johnny Butler, left the Presidents trailing by the narrow one-point margin as Dave Rose's attempted conversion was blocked.

Big Red Reaches Peak Against Granby and Hampton

Thomas Jefferson's Presidents reached their season's peak on successive week-ends as they knotted the count with two of the state's leaders, Granby and Hampton.



CO-CAPTAIN DAVID MARTIN

The Jeffs battled their heavier foe from Norfolk to a 0-0 count as they put up a brilliant goal line defense at the end of the game, and held the Comets on the one-foot line.

With passing impossible on the wet, muddy field, Chumbley and Butler sparked the Red offense, but were stopped twice within the ten on downs. The Big Red line was sparked by Sidney Lee, Bill Burnette, and Dooley Dillard in the offensive contest.

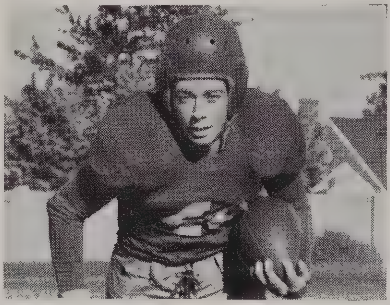
BUTLER GALLOPS 40 YARDS AGAINST SAINTS

Hampton saw another "mud battle" and Tee Jay in its fourth draw 18-18. A final drive which carried to the 23 failed for the Jeffs in the closing minutes as they lost the ball on downs.



WINGBACK BILL KOHLER

After the Crabbers knocked the Presidents back with a quick score, Bill Burnette blocked a kick and Butler scored three plays later. Hampton retaliated, but Butler tossed one to Lee good for 40 yards and a T.D. Rose's punt was blocked, and the visitors scored again; but Rose, displaying his finest performance, refused defeat as he galloped 41 yards and then scored.

Jeffs Routed on Western Trip; Tripped by Cadets, 12-6

Tee Jay's tying habit was finally halted on their western trip to Roanoke as the Jefferson Senior High Magicians whipped them 35-14, and the Benedictine Cadets upset the Jeffs to the tune of 12-6 in the city championship race.

Although thoroughly trounced by the hard-charging Roanokers the Presidents provided the thrills as Tailback Johnny Butler staged an 85-yard T.D. jaunt and then galloped 95 yards on a pass interception, only to have the play called back.

Butler opened the Cadet game with an 82-yard return of the kick-off for a Jeff score in the first 15 seconds, but from there on out the Irish edged the Belt Liners in the strictly offensive contest.

The Red and White bounced on the winning side of the ledger with

a decisive 19-0 victory over their West End foes, St. Christopher's, at the City Stadium.

Johnny Butler once again was the wheel of the Jeff offense as his passes set up a score in the second period and two in the fourth. Blond John passed 15 yards to End Sidney Lee on the eight, where he finally plunged over. He later ran for 23, as Rose bucked over, and passed 30 yards to Lee for the final tally.

The statistics were all in favor of the Jeffs, as Big Jake Ford was the stone wall of the Jeff line, as he more than once broke through to drop the Saint backs for heavy losses.

Chumbley Hurt As Jay Em Blanks Jeffs 6-0 in Sea of Mud at Stadium

The Presidents finally went down to defeat before the hands of their arch-rival, John Marshall, 6-0, at the City Stadium in a duel in the mud. The Justice's big, jarring fullback, Ted Filer, plunged over in the fourth period to clinch the first victory in five years over Tee Jay and the city championship title.

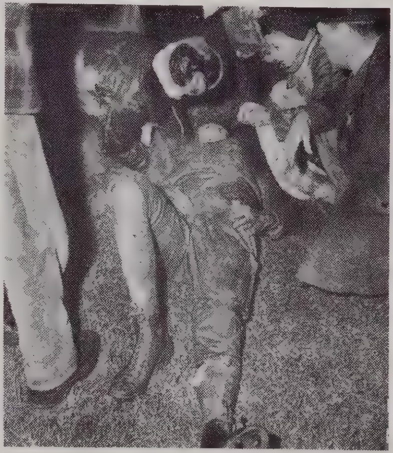
The 200-pound star all but single handedly led the Ninth Streeters to victory as he galloped 66 yards and scored three plays later before 14,000 fans who turned out despite pouring rain to see the players wallow in two inches of mud.

On Filer's T.D. jaunt Tee Jay suffered its worst blow of the season as George Chumbley, Jeff tailback, caught up and downed Filer, but not before receiving a dislocated hip.



GEORGE CHUMBLEY LIES HURT IN JAY EM GAME

The Jeffs were up as usual for the traditional foe and waged a brave, hard battle. The line backing of Dave Rose and the brilliant end playing of Bill Burnette led the Jeffs time and again in the defensive cause which held the Justices when driving deep into pay dirt territory.

Rose with Chumbley's punting kept the Belt Line offensive alive as they battled evenly until the score.

Final Clash Sees Red Team Drop 35-14 Count to Hopewell

The Presidents wound up their dismal campaign with a 25-12 loss to Hopewell at the City Stadium.

But it was a razzle-dazzle contest all the way as the Blue Devils outtricked Coach Carmack's Red team.

Hopewell scored on the first play, passing through the Jeffs' spotty air defense. The Jeffs tied it up before half time and Bill Kohler gathered in the second half kickoff and raced 22 yards, only to be tagged on the five. The Belt Liners just couldn't push it over.

The Blue team iced the game with two tallies in the third period and one in the fourth. Later Johnny Butler passed to Reserve Hugh McConaghy for 68 yards and the first T.D. of the game and season.

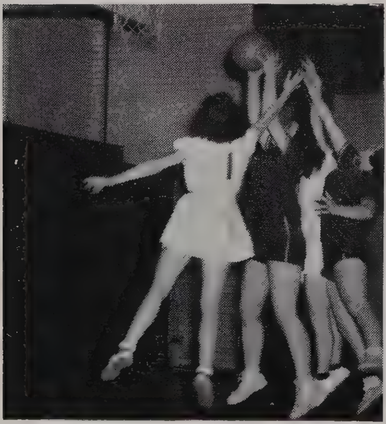
GIRLS' BASKETBALL

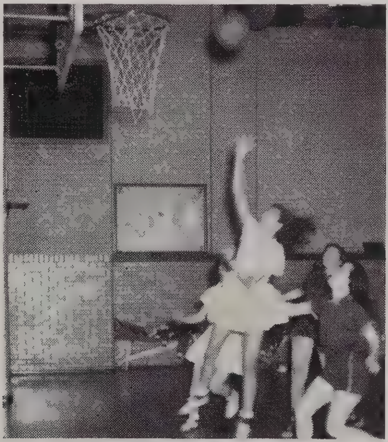
Almost, But Not Quite

The Tee Jay femmes varsity basketball team came within one game of having a perfect record. Their one defeat came when they tackled a fast moving Varina team; however, this defeat was partially wiped out by the return game. In the first, Varina won 26-23; and in the second, Tee Jay won 27-23. The Varsity sextet had double wins over Petersburg and Hopewell, and single wins over Glen Allen, Collegiate, St. Catherine's, Jay Em, and St. Joseph's Villa. The highlight of the season was the game with St. Catherine's. It was not only the most exciting game, but our girls also showed more teamwork. The score was 32-31 with Tee Jay as victors. Another major win was the defeat of our crosstown rivals, Jay Em, the score being 26-18. The only pre-season game was won from Glen Allen by a score of 33-13. The scores of the games with Collegiate and St. Joseph's Villa were 49-11 and 32-9, respectively. This year's Alumnae game was not as exciting as the previous year as the Alumnae bowed to the Varsity Six by a score of 40-14. However, much fun was had by all. For the first time in several years there was a game played with the faculty. This proved to be very exciting and the teachers afforded much entertainment for all.

ACTION SHOT



ACTION SHOT



The annual All-Prep Basketball tournament was held in the Tee Jay gym. We are proud to claim the four Jeff girls who received berths on the first and second teams. Betty Palmore and Jean Ridenour were placed on the first team, and Alma and Helene Lake on the second team.

The Reserves received much practice and experience in their nine games. The scores of the P.H.S. games were 18-16 and 26-10, and the scores of the St. Gertrude's games were 26-11 and 33-16. They bowed to the Jay Em girls by a score of 14-15, to the St. Catherine's girls by a score of 22-42, and to the Sophs by 11-19. Other teams that they bettered were Ashland, 27-12, and Collegiate, 28-17.

This year there was a fast-moving Sophomore team and the players have gained much experience, and promise to be good Varsity team-mates in the future.

Through thick and thin we were led by our inspiring coach, Miss Mildred Brame, who in every way taught us good sportsmanship and teamwork.

PRESIDENTS REACH STATE PLAY-OFFS AGAIN; LOSE OPENER TO NEWPORT NEWS, 42-28

For the sixth consecutive season Thomas Jefferson High's basketeers entered the state play-offs, held this year in the new tournament affair, but the Jeffs were downed in their first outing. Tee Jay's cagers drew the finalist Tycoons of Newport News for the opening round and at first seemed on their way to a great upset by leading 20-11 at intermission. The Jeffs fell apart in the second half, and the final count resulted in a 42-28 victory for the opponents.

DELMER SYLVIA

The Redmen placed to the State Champions and their arch-rival, John Marshall, in both the city and central district races for the season campaign.

Post 11-6 Record

Under the genial head coach, Welton E. (Spud) Bloxsom, the season was a very favorable one. The Jeffs started out "hot" against Hopewell, and triumphed over the University of Richmond Bees, Petersburg, and Benedictine. Then the Jeffs edged Granby in probably the season's thriller. Going into the fourth period and trailing by 16 points, they caught fire, and, with the Tee Jay gym rattling from the Belt Line supporters, the team emerged victorious.

CARL LEACH

SIMON (Shack) MOUGHAMIAN

The Presidents then dropped four of the next five, losing two to Maury and being set back by Jay Em and Granby. They managed to whip Hampton on their eastern trip, and returned home to subdue St. Christopher's twice in two rough contests, Benedictine, and Petersburg. The Paul Gentry and Company from Jay Em staved off a Jeff rally to defeat them a second time and cop the city and central titles.

Whitehorne, Cheatham Gain All-City Honors

Captain Grady Whitehorne and stellar forward Russell "Dootsy" Cheatham captured two of the coveted five positions of the All-City high school quintet. Tall, six-foot three-inch Whitehorne was named to the mythical five for his second straight season, as is easily understood from the looks of the modest Jeff captain under fire. Russ Cheatham was never in doubt for the "5" from his superb scrappy floor game and high spirit among the competitors.

The Belt Liners also placed sharpshooter Sylvia on the second team of stars, and dependable Carl Leach on top of the honorable mention list.

Cheatham Leads Scorers

Scrappy forward Russell Cheatham led the Belt Liners in scoring, tallying 166 points in 17 season contests. He was followed closely by "set and push shot" artist Delmer Sylvia with 152 markers and rebound man Grady Whitehorne with 149. Other leading scorers were Carl Leach with 95, Simon Moughamian with 40, and Gene Doyle and John Butler with 33 and 20 respectively, each in a half season of playing.

Sophs Undefeated in Banner Year

Coach Shelburne Carmack's baby Jeff team came through once again with a banner season, undefeated in 17 contests. These spirited "little" Jeffs completely swamped all opposition except Fork Union, breaking up a tie with seven quick points in the last 43 seconds to show their superiority. Some of the better local Bee teams such as St. Christopher's, Benedictine, Highland Springs, and John Marshall were easily subdued.

Outstanding players who are expected to brighten the varsity basketball outlook in the next few years and establish a fine record are Albert Oliver, high scorer with 188 points; Gayle Dunn, 186 points; Al Ford, Jabe Cooper, Warren Mills, and Bobby Garian.

GIRLS' SOFTBALL

A surprisingly large number of sophomores, juniors, and seniors turned out for the 1948 softball team. As co-captains the team chose Nancy Alexander and Betty Sherman. When the initial game was played with Midlothian, the Jeffetts were victorious by a score of 17-6. Future games have been planned with Petersburg, Hopewell, John Marshall, and Varina. ✶ In the 1947 season the softball femmes defeated Hopewell by 10-8; Jay Em 8-2; Midlothian 8-1; and a return game with Jay Em 13-8. They were the underdogs once to Hopewell 1-6; and twice to Petersburg 3-16 and 3-15. From the experience and practice obtained by the '47 squad, the '48 team should prove successful in all their undertakings.

BASEBALL, 1947-1948

The Varsity Baseball Squad for 1947 had a very satisfactory record. Winning from Hopewell once 11-6 and bowing to them once 4-3, the team then downed John Marshall 8-3 in their first game and in their last game walloped them 13-7 to take the Central District Championship. They also beat St. Christopher's one out of two games, bowed twice to Benedictine, bowed once to Petersburg 5-0, and defeated them once 11-10. From there they went to the Semi-finals for the state championship, but lost to Alexandria 5-0. ✶ Coach Bloxsom's '48 stickmen entered the season by losing to Petersburg by the score of 5 to 4 in an exciting twelve-inning game. Later they were defeated by John Marshall 5-1. The Red Team won their third game by overwhelming the Saints 13-2 at Shawen Field, but later gave in to Hopewell 7-6 in a ten-inning game. In their return engagement with St. Christopher's the score was 17-1 in favor of the Saints. So far their average is .167, but we know they will bring it up for the Ole Alma Mater.

Bagnell Breaks State High Hurdles Mark; Scott Bests 220 School Record as Jeffs Win First Five Meets

The 1948 Thomas Jefferson track squad, headed by Coaches George Gonda and Ed. N. Smith and led by Co-Captains Harry Bagnell and Bill Kohler, proved to be one of the state's better squads and one of T. J.'s best. Although in the early season they dropped their claim to the City Indoor Championship as they placed a close second to John Marshall in their first meet at Grays' Armory, they went on to improve and shine in their dual competition.

The Jeff harriers captured wins over four of the next five opponents as they were only squeezed out by Woodberry Forest. They easily routed Glass and Petersburg and gained close victories over George Washington of Alexandria and Granby. The thinclads placed a respectable third at the Tidewater meet behind Jay Em and Granby.

The squad proved itself a well-rounded one with all its very strong points in the running events. Jeffster Harry Bagnell established himself as a Tee Jay all-time great as he broke the 120-yard high hurdles mark and lowered it to 15.1 seconds, a new state low as well as the school record. Weeks later the 120-yard school dash mark fell before the Belt Liners' top speedster, Norman Scott, as the stocky footballer covered the distance in 22.8 seconds. Also brilliant performances have been turned in by junior Jack Miller in the mile. Bagnell again in the 220-yard lows, Scott in the century, and the steady Stuart Johnson in the 880.

Delmer Sylvia, Thomas Jefferson's No. 1 man and top state player in '47, retained his State High School Tennis Championship this year as he easily swamped his opponent 6-3, 6-2 in the finals of the tournament at Charlottesville. He also finished his second consecutive unbeaten season in dual competition.

Physical Education at Thomas Jefferson

For every type of person there is some sport or some form of exercise available at Thomas Jefferson. Since all cannot make the varsity teams, various other activities are planned by the physical education instructors so that every boy and girl may participate in class or intramural sports or games. ✶ In the girls' locker room are ping pong tables, and here lively games and tournaments are held. In the gymn classes intramural volley ball games are played. From these classes girls are chosen each year to compete in a track meet to form and break records. During the sixth period and after school the Y.W.C.A. pool is used by the swimming classes. ✶ In their gym classes the boys gain experience and instruction in football, basketball, softball, and volley ball and such games as dodge ball, dribble and shoot relays, and twenty-one. All of these sports make physical education enjoyable for everyone.

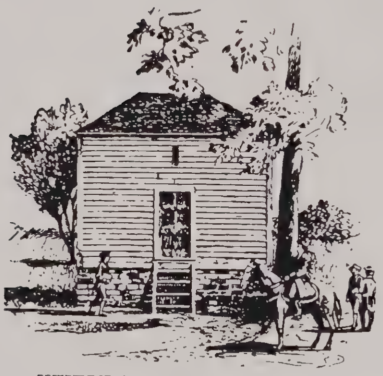
A good investment and a lasting one



WHERE JEFFERSON WENT TO SCHOOL BEFORE HE ENTERED WILLIAM AND MARY COLLEGE

Tuckahoe, near Richmond, the one room schoolhouse where young Thomas received his grammar grade schooling.

THE Learning which you have made yours through school years will enrich your future far more than many of the material things which you will acquire. Not just the lore of books and study . . . but the valuable lessons of Americanism, teamwork, good fellowship, and wholesomeness. And because you've learned that good health is essential to a happy and useful life . . . keep on with your good health diet . . . which naturally includes plenty of milk!

Congratulations . . . good wishes

The Mark of a Champion!

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

HOW TO MAKE FRIENDS . . . AND KEEP THEM

1. Keep skid chains on your tongue; always say less than you think. Cultivate a low, persuasive voice. How you say it often counts for more than what you say.
2. Make promises sparingly, and keep them faithfully, no matter what it costs you.
3. Never let an opportunity pass to say a kind and encouraging thing to or about somebody. Praise good work done, regardless of who did it. If criticism is merited, criticize helpfully, never spitefully.
4. Be interested in others; interested in their pursuits, their welfare, their homes and families. Make merry with those who rejoice, and mourn with those who weep. Let everyone you meet, however humble, feel that you regard him as a person of importance.
5. Be cheerful. Keep the corners of your mouth turned up. Hide your pains, worries and disappointments under a pleasant smile. Laugh at good stories, and learn to tell them.
6. Preserve an open mind on all debatable questions. Discuss, but don't argue. It is a mark of superior minds to disagree and yet be friendly.
7. Let your virtues, if you have any, speak for themselves, and refuse to talk of another's vices. Discourage gossip, and make it a rule to say nothing of another unless it is something good.
8. Be careful of others' feelings. Wit and humor at the other fellow's expense are rarely worth the effort, and may hurt where least expected.
9. Pay no attention to ill-natured remarks about you. Simply live so nobody will believe them. Disordered nerves and poor digestion are common causes of backbiting.
10. Don't be too anxious about getting just dues. Do your work, be patient, keep your disposition sweet, forget self, and you will be respected and rewarded.

FAREWELL!

And as we go forth to make our debut on the stage of the world, we are certain that our training and knowledge gained at Thomas Jefferson will lead us to great things in life as we shall continue to uphold the ideals of our school pledge: We pledge allegiance to Thomas Jefferson High School and to the ideals for which it stands: honesty, courtesy, self-control, cooperation, and obedience to authority with kindness and justice to all.

Dear "Butch",

Gosh, we've really had lots of fun all these years - Remember the gym class last year? We've really had some good times at school and out. Let's always have good times - Well, I won't have to say good-by but so long until next term. Be good this summer and don't get in any trouble.

Love,
"Proffett"
